OCTOBER 15-17, 2052

Horizon Convention Center, TechCity, Utopolis

NEXT-GEN AI SUMMIT

Explore the cutting-edge innovations shaping the future of artificial intelligence.
Join global leaders and visionaries for two days of insights, discussions, and breakthroughs.

Early bird tickets ↗

amazon | dribbble | HubSpot | Notion | gumroad

Speakers

Hear from global AI leaders, researchers, and entrepreneurs who are defining the future of artificial intelligence.

And more ↗

Technologies

Explore advanced machine learning, natural language processing, AI-driven automation, and emerging cybersecurity applications.

Networking Opportunities

Enjoy exclusive networking sessions, roundtables, and social events to foster collaboration and spark new partnerships.

AGENDA

October 15-17, 2052 | Horizon Convention Center, Amsterdam

Day 1
09:00 – 19:00

AI Innovations & Trends

The summit kicks off with a keynote, expert panels, and discussions on AI's impact, ethics, and automation. Hands-on workshops and a networking event wrap up the day.

Day 3
09:30 – 16:00

Future of AI & Networking

Dive into AI's long-term impact, attend expert-led workshops, and watch the startup pitch competition. The event closes with a visionary keynote and final networking sessions.

View detailed schedule ↗
